

THE RAINBOW CONNECTION

LOWER

4/4 LOVS WHO

why are there so many songs a bout
what sort that every wish would be heard and

rainbows answered and what's on the other side
what's on the other side star Rainbows are
somewhere

visions laughing that But and on-ly ill- lu-guns And rainbows have
look what it's

nothing done so low far So we've been told and some close to be
what's so a mazing that keeps us star

he's gazing Everyone And I know they wrong wait and see
what's done that we may see?

somebody we'll find the rainbow can reach the

lowers the dreamers and me

All of us under its spell we know it's probably na-

gic Have you been half a sleep and have you heard voices

Pue heard then calling my name is it the overland that

call to you sailors The voice might be one and the same

Low.

I've heard too many times to ignore it It's something that I'm used to

THE RAINBOW CONNECTION LOWER CONT.

be - someday we'll find it the Rainbow con-

necta the Lovers The dreamers and me.

La da da dee da da do la la da da.
