

I REMEMBER IT WELL

L. We met at nine

T. We met at eight

L. I was on time

T. No, you were late,

L. Ah yes!

I remember it well

L. We dined with friends

T. We dined alone

L. A tenor sang

T. A baritone

L. Ah yes!

I remember it well.

L. That dazzling April moon

T. There was none that night

And the month was June

L. That's right, that's right

T. It warms my heart to know that you

Remember still the way you do

L. Ah yes

I remember it well

How often I've thought of that Friday-

T. Monday night

L. When we had our last rendezvous

And somehow, I foolishly wondered if you might

By some chance be thinking of it too

L. That carriage ride

T. You walked me home

**L. You lost a glove
T. I lost a comb**

**L. Ah yes
I remember it well**

**L. That brilliant sky
T. We had some rain**

**L. Those Russian songs
T. From sunny Spain?**

**L. Ah yes
I remember it well**

**L. You wore a gown of gold
T. I was all in blue**

**L. Am I getting old?
T. Oh no, not you
How strong you were
Come what may**

A prince of love in every way!

**BOTH L. Ah yes!
We remember it well**
