

ALWAYS LOOK ON THE BRIGHT SIDE OF LIFE

**Some things in life are bad
They can really make you mad
Other things just make you swear and curse
When you're chewing on life's gristle
Don't grumble, give a whistle
And this'll help things turn out for the best
And**

**Always look on the bright side of life L. (bright side, bright side of life)
Always look on the right side of life (right side, right side of life)**

**If life seems jolly rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly chumps
Just purse your lips and whistle, that's the thing
And**

**Always look on the bright side of life L. (bright side, bright side of life)
Always look on the right side of life (right side, right side of life)**

**For life is quite absurd
And death's the final word
You must always face the curtain with a bow
Forget about your sin
Give the audience a grin
Enjoy it, it's your last chance anyhow**

**So always look on the bright side of death L. (bright side, bright side of death)
A just before you draw your terminal breath. (you draw your terminal breath)**

**Life can hurt a bit
When you look at it
Life's a laugh and death's a joke, it's true
You'll see it's all a show
Keep 'em laughin' as you go
Just remember that the last laugh is on you!**

**Always look on the bright side of life.
Always look on the right side of life.**

**For life is quite absurd
And death's the final word
You must always face the curtain with a bow**

**Forget about your sin
Give the audience a grin
Enjoy it, it's your last chance anyhow!**
